

*As the night was falling slowly down on city, town and bush,
From a slum in Jones' Alley sloped the Captain of the Push;
And he scowled towards the North, and he scowled towards the South,
As he hooked his little finger in the corners of his mouth.
Then his whistle, loud and shrill, woke the echoes of the 'Rocks',
And a dozen ghouls came sloping round the corners of the blocks....*

- Henry Lawson
